XX. CLAIMS AS TO ALL DEFENDANTS

A. Negligence Per Se and Negligence

- 20.1 The allegations of paragraphs 4.1 through 19.6 above are incorporated herein by reference.
- 20.2 At the time of the respective occurrences in question in this case, the TCPA was in effect.
- 20.3 Violation of the statute (TCPA) by the defendants constitutes negligence as to each respective defendant. The conduct of the respective defendants constitutes an invasion of privacy, a trespass, and a conversion of the personal property of USFLC's Assignors and Lion Capital's Assignor.
- 20.4 The Assignors to Lion Capital, The Gas Connection Corp., Rocky Mountain Cleaning & Environmental, Inc., Grayt Enterprises d/b/a Mail boxes, Etc., and Guys & Dolls and the direct Assignors to USFLC have been damaged by the respective defendants' violations of the aforesaid statute.
- 20.5 Respective violations of the statute by each of the defendants is a cause of the damages suffered by USFLC's direct Assignors and Lion Capital's Assignors.
- 20.6 Respective violations of the rights/duties owed by each of the defendants to USFLC's direct Assignors and to Lion's Assignors were a cause of the damages suffered.

B. Knowing or Willful Violations

20.7 The respective defendants have violated the TCPA in a knowing or willful manner. Defendants, for having violated the TCPA in a knowing or willful manner are liable to the Plaintiff for treble damages as provided by statute.

C. Violation of the Colorado Consumer Protection Act

20.8 CRS Section 6-1-702(1)(b)(I), at all times relevant hereto, provides that a person engages in a deceptive trade practice when, in the course of such person's business, vocation or occupation, such person solicits a consumer residing in Colorado by a facsimile transmission without including in the facsimile message, a toll-free telephone number that a recipient of the unsolicited transmission may use to notify the sender not to transmit to the recipient any further unsolicited transmissions. A "toll-free telephone number" as contemplated by the Consumer Protection Act and, as defined in related Federal legislation and/or regulations by the Federal Trade Commission means a number with an exchange of 800, 877, or some similar exchange which is paid for by the sender or fax blaster and, which as a matter of fact leaves a written billing record of the fact of the phone call from the consumer to the subject number. Local area exchanges such as 303 or 720 for consumers in most parts of Colorado, and for Plaintiff's Assignors herein, do not leave such a written record to document or prove if a call has or has not been made.

20.9 Each defendant pleaded above for a "toll-free" violation has either (a) utilized a 303 or 720 exchange for a removal number or (b) has failed to provide any removal number whatsoever.

20.10 Each defendant herein pleaded above who has failed to utilize a proper toll-free removal number has therefore violated the Colorado Consumer Protection Act and engaged in one or more acts of deceptive trade practices.

20.11 USFLC's direct Assignors and Lion Capital's Assignors have been damaged thereby and are entitled to damages as provided by law, including recovery of reasonable attorney fees.

D. Injunctive Relief

20.12 Pursuant to both the TCPA and the Colorado Consumer Protection Act, Plaintiff is entitled to an injunction to enjoin each Defendant from sending future unsolicited fax advertisements and from engaging in deceptive trade practices.

WHEREFORE, Plaintiff, US Fax Law Center, Inc., prays for relief as follows:

1. As to each Defendant:

Judgment for \$500 for each violation of 47 USC 227, *et seq.*, and/or C.R.S.

Section 6-1-701 *et seq.* that was not knowing and willful, coupled with a finding of negligence;

Judgment for \$1,500 for each violation of 47 USC 227, *et seq.*, that was knowing and willful;

Judgment for attorney fees and damages as provided by statute for violations of the Colorado Consumer Protection Act;

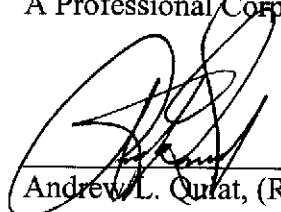

2. Injunctive Relief permanently barring each Defendant from further violation of 47 USC § 227, *et seq.*, and prohibiting any future Deceptive Trade Practices under the Colorado Consumer Protection Act;

3. For interest as damages as provided by law, post judgment interest as provided by statute; and,
4. For such further relief as the Court may deem appropriate.

DATED this 29th day of September, 2005.

Respectfully Submitted,

Re:Letter of Introduction, crane salesman for Gas Connection

Dear Greg:

My name is Jack Burroughs and I have recently been assigned to handle Gas Connection's account for new equipment sales. As an application engineer supported by 9 in-house engineers, we bring over 150 years combined experience in overhead bridge cranes, runways, gantry cranes, monorails, and turnkey installation.

I will be in the Broomfield area between July 14 and July 18 and would be happy to stop in to review any crane projects you may have. There is, of course, no cost or obligation for this visit.

You may be surprised to learn that North American Industries is one of the 10 largest crane manufacturers in the country, with over 45 years experience in your industry. We have worked with thousands of manufacturers. We know that you expect help selecting the right features, that runways can't interfere with your floor space, and that turnkey service is the best way to prevent headaches.

If I can be of any help, please call me at 800-847-8470 x250 or fax this letter back to me.

Sincerely,

Jack Burroughs
